Reference: April Quarterly Report (1/1/03-3/31/03)

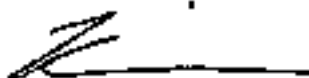

Dear Ms. Reminsky:

Your letter dated September 30, 2003 regarding the April Quarterly Report has just been received by me. All reimbursements made to individuals for transactions other than travel, meals and lodging made during this election cycle will be reviewed. If the payment to an original vendor has aggregated in excess of \$200 in this election cycle, each applicable report will be amended to include a memo entry with the name and address of the original vendor, as well as the date, amount and purpose of the original purchase. Such memo entries will also be included in future reports. Specifically with regard to the April report, if such itemization is not necessary, an amendment to that report will be filed to so indicate.

The transactions will be reviewed and the necessary amendments will be filed no later than December 12, 2003.

Please call me at (208)395-6302 with any questions or comments regarding this response.

Sincerely,

Kaye L. O'Riordan
